Agenda

I. Opening Comments

II. Review of Christiana Care's Certificate of Public Review PMRI and HCCC renovation applications.

III. Review considerations:

- a. The relationship of the proposal to the Health Resources Management Plan.
- b. The need of the population for the proposed project.
- c. The availability of less costly and/or more effective alternatives to the proposal, including alternatives involving the use of resources located outside the State.
- d. The relationship of the proposal to the existing health care delivery system.
- e. The immediate and long-term viability of the proposal in terms of the applicant's access to financial management and other necessary resources.
- f. The anticipated effect of the proposal on the costs of and charges for health care.
- g. The anticipated effect of the proposal on the quality of health care.
